

Kings High Association of Parents and Staff (KHAPS)

2020 Personal Achievement Award winners

Twenty-five King's High girls have received awards of up to £300 in this year's Personal Achievement Awards, totalling £5,136. The scheme, run by KHAPS, encourages King's girls to pursue their out-of-school interests, passions and ambitions. Once again, the standard of entries for the King's High Personal Achievement Awards was very high, with a wide range of interesting projects proposed.

Our congratulations go to all of the award winners.
