About Warwick Independent Schools Foundation

The Warwick Independent Schools Foundation (the Foundation) proudly educates girls and boys from 3-18 years of age. We are one of the largest independent school charities in the country, with some 2,800 pupils and 800 staff, and are committed to providing an outstanding education for all our pupils; for our schools to be the first choice for those seeking independent education for their children; and to be an exceptional place to work.

Our historic schools are Warwick Preparatory School and the King's High School, which operate as a through-school for girls with a co-educational Pre-Prep, and Warwick Junior School and Warwick School, which operate as a through-school for boys. These schools are located on the Foundation's 55-acre site in Warwick. Between them, they educate some 2,500 pupils, and offer a unique model of education in the Midlands: co-education for our pupils aged 3 to 7, and single-sex education from age 7 onwards. This provides 'the best of both worlds' for our pupils: teaching specifically tailored to their needs with extensive learning opportunities to collaborate outside the classroom.

In a new and exciting development for the Foundation, we are delighted to have welcomed The Kingsley School, Royal Leamington Spa into our family of schools. Kingsley is an established and highly regarded school for girls (3-18) and boys (3-7). Kingsley will continue to operate from its site in Leamington.

Organisational Structure

September 2020 saw the introduction of a new structure for the Foundation. The Foundation Principal is Mr Richard Nicholson, who was previously the Head Master of King's High School.

Our Facilities

Warwick Campus

Home to some 2,500 pupils aged 3-18, the 55-acre campus boasts outstanding and cutting-edge facilities for all our pupils.

The campus has received significant investment over recent decades, including Warwick Hall, which was completed in 2016.

The most recent development – ‘Project One Campus’ – has seen the relocation of King’s High from its historic town-centre site to join Warwick Preparatory School and Warwick School on one spacious, green campus. This has seen facilities developed and enhancements for all and has included:

- A new home for the pupils of King’s High School.
- A new shared Sixth Form Centre for both Warwick and King’s High School students to enjoy for shared curriculum enrichment and social activities.
- New and enhanced sports facilities, including a 3G rugby pitch for Warwick School, four netball and five tennis courts.

- A new, shared Music School for the pupils of King’s High and Warwick Preparatory School.
- Improved play-space for Warwick Preparatory School, including a new nursery garden and ‘forest school’.
- New parking facilities and enhanced traffic management.
- New landscaping, creating a series of pedestrianised Quads.

Leamington Campus

The Kingsley School is home to over 300 pupils. Situated in the centre of Leamington, the excellent facilities include the Prep School, Senior School, and a dedicated Sixth Form Centre. 12 acres of playing fields are just a few minutes’ drive away, and include a pavilion and netball and tennis courts.

Investments over recent years have included a suite of refurbished science laboratories, a re-equipped food technology room, play space for Prep School pupils, and the refurbishment of the sixth form centre.

Warwick & Surrounding area

Warwick itself is a charming, historic town, famous for its impressive castle whose soaring turrets dominate the town centre. Steeped in medieval history and a popular tourist destination, Warwick boasts a thriving social scene with many boutique shops and excellent bars and restaurants.

The delightful Regency town of Royal Leamington Spa adjoins Warwick, with its wide boulevards and grand architecture, is a thriving town, with excellent facilities for families.

Stratford Upon Avon and its outstanding theatres are just a 25-minute drive away. The Cotswolds are also within easy reach, offering tranquil walks in rolling hills and villages of honey-coloured stone.

For further cultural opportunities, Birmingham is half an hour by train and offers everything you would expect from a major and vibrant city. With a packed calendar of events hosted by its many international venues, Birmingham is also first-class for shopping, dining and nightlife.
